

AMMAR RAHMOUNI

SUMMARY

I am a computer engineering graduate with a passion for programming websites and mobile applications. A highly capable leader I led several projects in the study period from inception to completion. Proficient in a range of modern technologies including Java, SQL and WordPress. I have proven leadership abilities and love to take initiative and look for new challenges

During my university studies, I led many successful projects, including a mobile application project for Turkish universities, and another project is programming a commercial website.

EDUCATION

Diploma of Higher Education, Computer Engineering, 2021
ON DOKUZ MAYIS - Samsun, 55

LANGUAGES

- English
 - Turkish
 - Arabic
-

EXPERIENCE

I am looking for an experience in which I can improve myself.

First, I want to add something for myself so that I can be a part of the people who can make this world a more comfortable and easy place.
